

Fill the Trailer!

As you all know, many people's lives were turned upside down when Super Storm Sandy hit. The devastation has affected thousands, and many people were only not left without homes, but also many of the essentials.

Karen Peebles (Peebles Realty) has generously loaned us her enclosed trailer so we can "stuff" it full of essentials to take downstate to these people in need. This "Fill the Trailer" Event will **begin Monday, November 19th and end Friday, December 14th**. We will have several drop off locations for convenience. Let's give thanks for the things we have in our lives, and give to those who have lost theirs. Thank you all for your generosity and caring!
